

BE A PART OF PLAN MANITOU!

There are a number of opportunities for you to get involved with Plan Manitou. A list of planned events is provided below with dates. Each event will begin at 6:00 PM and will be held in Memorial Hall at City Hall. Mark your calendars! More information about each event will be posted to the project website, www.planmanitou.com as it becomes available.

FEBRUARY 11, 2016

Project Kickoff: Learn about the Plan Manitou process, meet the project team, and provide input on issues and opportunities facing the community.

APRIL 21, 2016

Trends and Key Issues: Review and discuss the major trends, key issues, and hazards affecting the community. Confirm the community vision and core value statements established in *Manitou Springs Forward*, and suggest updates or modifications needed to better reflect any changes in the community that have occurred since 2011.

JUNE 9, 2016

Vision and Goals: Review and confirm the preliminary vision and goals that will form the base for the Community Master Plan and Hazard Mitigation Plan. Provide feedback, identify possible gaps, or suggest new topics that could be included in the final plan.

SEPTEMBER 15, 2016

Policy Framework & Future Land Use Plan: Review and provide input on the preliminary goals and policies for the Community Master Plan and Hazard Mitigation Plan, as well as the Future Land Use Plan. Provide comments on key choices regarding future land use in the City, and learn about possible tradeoffs associated with each.

NOVEMBER 10, 2016

Draft Plan: Review and provide input on the draft Community Master Plan and Hazard Mitigation Plan. Feedback will be used to refine the draft plan before it is presented to Planning Commission and City Council for adoption.

Opportunities to provide input and feedback on materials presented during community meetings will be made available online for those who are unable to attend a scheduled event. Be sure to check-in at www.planmanitou.com for the latest news on opportunities to become involved in the process.
